2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

This is a two tier system. 1. University defined and 2. College defined We conduct various examinations to evaluate the students. The college has also taken an initiative for the students to appear in different competitive exams conducting by different organization. For example: The evaluation examinations organized by Amravati University Chemistry Teachers Association (AUCA) in which students shown there keen interest and also score well. This Aptitude Test is for final year students to evaluate their basic knowledge in Chemistry. In 2019-20, 51 students under the guidance of Dr. A. D. Khambre, HOD Activity Incharge of Dept. of Chemistry. Our two students Ms. Priyanka Raut Mr. Shaikh Rizwan got 1st Rank with cash prize momento.. Evaluation and assessment process: The main written examination is conducted at the end of the semester.75 Attendance is compulsory to face the main written examination conducted by University. Home examination for First and Second semester of First year.Second and final year is conducted by the University at the affiliated examination center.The college has to ensure the students that they are ready for these examinations. Thus, all types.(objective and subjective) of tests are planned before commencement of each semester. Also, to promote students learning and involvement in extra-curricular activities, term work norms are prepared well in advance.The college has defined set of internal assessment as per the academic calendar prepared by the related committee. There are two Unit tests for each semester at college level. Examination Committee schedules and executes the evaluation process with strict monitoring on regular basis.The Principal also takes stock of the progress in weekly HOD meetings. The HODs also call upon the departmental meetings to take review of

the departmental work regarding examinations. Examination Coordinator looks after the smooth conduction of Internal Tests. The results of each test are strictly declared and displayed on the notice board. The students can see their respective answer sheets and discuss their queries with concerned staff. The evaluation has also been done by conducting surprise test by respective course teachers in the mid and at the end of every months of the academic session. The students re-notified about their performance after evaluation of students is displayed on notice board through Continuous Assessment Report (CAR). Student can discuss any queries about CAR with the concerned teachers. Continuous Internal Assessment: 1. The institute believes firmly in continuous evaluation of the students for their sustained performance. Hence a structured evaluation process has been designed and implemented. 2. The question papers are prepared for test and conducted as per the University examination pattern. 3. To prepare students for practical and oral examinations, college conducts moc Oral/Practical exams. 4. The institute conducts two unit tests in each semester, MCQ Tests and Exams appropriately as per the requirement of the concerned syllabi of different classes. 5. The assessment is also based on the student's regularity and activity, overall performance and behavior.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Institutions have gained its unique position among peer institutions through scrupulously planning and executing the Teaching-Learning processes. Following points are considered in the execution process. Preparation of Academic Calendar: The college has prepare academic calendar in two academic sessions for running the academic programme smoothly. 1st session started in the month of June and ended with October. 2nd session started in the month of November and ended in April. Contents of Academic Calendar include commencement of teaching, Conclusion of Teaching, Practical / Oral / Theory / Unit test Examination dates. Result declaration dates / Project, Seminar Assignment Submission dates / Holidays. The base of University Calendar is used as a reference point to prepare academic calendar of the institute. Academic calendar is prepared and circulated at least one month in advance to all concerned teaching staff. Such a calendar of Semester pattern for the session 2018-19 is uploaded. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. Formation of Academic and Administrative Committees: The Principal is the head of the Institution. In the beginning of every academic year, a meeting is held by IQAC under the Chairmanship of the Principal for constituting different committees for smoothly and efficiently functioning of the Institution. Action plans and policies are discussed in the local management committee which is highest decision body. The action plans and policies matters sanctioned by local management committee are implemented by principal. For that Principal constitutes different committees which include teaching and non-teaching staff, representatives of students and stakeholders. 18 different committees have been formed for the decentralization of the work in, the institute. The major authority is given to the head of the committee for completion of the work. Similarly, there are different departments and subjects in the College. The head is the prime authority in the department as well. All the rights are preserved with the head of the department. Hence, there is scope for enrichment of the departments due to liberty in respect of powers. All the faculty members have given the freedom relating to order or to purchase any study material or required instruments for the academic development. In the case of the administrative work, the Junior Clerk is the prime authority. Under the Junior Clerk, all the non-teaching staff works. All the new circulars from the University and the Government are communicated and discussed with the office staff. Therefore, there is a good work culture between the teaching and the non-teaching staff.

2. Monitoring of CAS by IQAC: Besides, under the Career Advancement Scheme, there is decentralized system in our college. Initially, the eligible teacher has to make an application towards IQAC Coordinator for availing the Career Advancement Scheme. The IQAC will verify the eligibility of the concerned teacher. Once the IQAC is satisfied with the eligibility criteria for promotion then the IQAC suggests to the concerned teacher for the preparation of his / her proposal for availing CAS. The CAS Committee from the University will be called for the screening / selection of the teacher under CAS. All the documentary evidences will be verified and evaluated by the CAS Committee. Finally, the proposal is forwarded to the University for the sanction and all the CAS benefits are given to the concerned teacher. Under this system, the Institution bestows all the rights to the IQAC.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1) Title of the Practice: Celebration of a Week StreeJanmacheSwagat (Welcome to the Birth of Woman) 2) Goal Objectives: i) To make conscious and concerted efforts to prevent female foeticide. ii) To prepare the mindsets of the people of community to respect gender equality. iii) To make aware the people about the importance of female education. iv) To set a new perspective regarding prejudiced view about woman. 3) The Context: Female foeticide is a heart shaking evil practice in the society. It is committed not only by illiterate and poor people but also well-educated and well to do people of the society. In order to cease this from the society, the college has made a small attempt to celebrate a week StreeJanmacheSwagat (Welcoming the arrival of Girl child) during the period of Navratri. 4) The practice: Gender discrimination, female foeticide, many blind and superstitious issues about the female are the shocking issues of our society. Thus the college decided to celebrate StreeJanmacheSwagat week in order to prevent the female foeticide. 5) Evidence of success: The college performed the programme as a best practice for the very first year. The college has success fully implemented the programme. Programme though it is based on female betterment. 6) Problems Encountered and Resources Required: The evil response from the society is the main problem encountered while implementing the practice. 7) Notes: Female foeticide is a hazardous evil in our community. It is heart shaking because it is committed not only by the illiterate and poor people but also educated and well to do people of the society. The Govt. has put in place legislation to protect women against domestic violence and from sexual harassment. Best Practice - II 1) Title of the practice: Tutor-Ward System 2) Goals and Objectives: i) To checkout point to point performance of the students. ii) To adhere a personal contact with students. iii) To secure a detailed information about the students. iv) To look after the problems coming in the way of seeking higher education. 3) The Context: Holistic development of the students is brought about by imparting need-based knowledge, inculcating values and developing up-skills in order to produce ideal citizens. 4) The practice: If a student fails in the attendance, a teacher may contact his / her parents and inform his / her parents about his / her less attendance. 5) Evidence of Success: In order to make child-parent relationship among faculty and student, the institute practised tutor-ward system. Out of total strength, only 10 students are allotted to each faculty, 6) Problems Encountered and Resources Required: Weak percentage of attendance is a main problem encountered. The students come from economically backward classes of the society. 7) Notes: Tutor-ward system is a best practice being run in the institution to overcome the academic, economic, social, and even emotional problems of the students, coming for higher studies.
